

2009 Kids Environmental Camp Schedule

Camp I “Kayakers”

June 8th-12th: \$350 per child (ages 7-12). Includes all food, drink, admissions, gear and CAMP SHIRT! Camp starts at 8:30 am. And ends at 5:30. Curriculum includes but is not limited to kayaking, identifying eco-systems, studying organisms and having tons of fun!

Camp II “Sea Sponges”

June 22nd, 23rd and 24th: \$150 per child (ages 4-6). Includes all food, drink, admissions, gear and CAMP SHIRT! Camp begins at 8:30 and ends at 1:30. This special camp is designed to introduce our younger brothers and sisters to the wonderful world of marine science.

Camp III “Bi-Valves”

July 6th-10th: \$350 per child (ages 10-14). Includes all food, drink, admissions, gear and CAMP SHIRT! Curriculum includes but is not limited to kayaking, identifying eco-systems, studying organisms and having tons of fun!

Camp IV “Mollusks”

July 26th-31st: \$650 per child (ages 12-16). Includes all food, drink, admissions, gear, accommodations, and CAMP SHIRT! This camp will include 3 nights at the Florida State University Coastal and Marine Lab and 2 nights at the Ochlocknee River State Park. Students will utilize the labs at FSUML to study marine life and to examine the biodiversity present in different habitats.

Jeanni is back and will be involved in each camp
